TTG TRAVEL
AWARDS **2018**

Specialist Operator of the Year

Winner

.....

AWARD WINNING

Cyplon Holidays has received many awards in its history since it was established in 1972. Most recently we were recognised by the UK travel industry at the Travel Trade Gazette (TTG) Trade Awards. We received the great honour of being named as the UK's "Specialist Operator of the Year" for 2018. In 2017, we were rewarded with the title of the UK's "Leading Tour Operator for Family Holidays" at the Travel Bulletin Star Awards. Similarly, we have been winners of the title "Leading Independent Tour Operator to the Mediterranean" in 2015, achieving this consecutively, having also won an award in 2012, 2013 and 2014.

TAILOR-MADE EXPERTS

As pioneers of "Tailor made" holidays we take our responsibility of finding you the "perfect fit" very seriously. Our award-winning team love putting together beautifully hand-crafted, complex itineraries, and always strive to make our customers' holidays unique and bespoke, each time they travel. From twin or multi-centres, to tours and excursions, cruises etc - you name it and our team will find you the perfect ingredients to blend with your hotel stays in any of our fabulous destinations.

WE ARE AITO MEMBERS

Cyplon Holidays is a proud member of the Association of Independent Tour Operators. AITO represents Britain's leading independent tour operators and demands high standards of quality and service. Cyplon Holidays abides by AITO's Code of Conduct and adheres to the AITO Quality Charter.

FLIGHTS FROM REGIONAL AIRPORTS

Whether it is scheduled, no frills or chartered airlines that you wish to travel on, we can meet all of your requirements, offering you all available flights from any Regional UK Airports. Pre-booked upgrade services and airport lounge-passes can also be arranged, if you wish to avoid the commotion and start your relaxation straight away. Speedy/Priority boarding and even in-flight meals (on no frills airlines) can also be arranged with our Reservations Staff.

PRIVATE TRANSFERS

When you arrive in resort, travel in luxury in one of our private transfer cars or for larger groups a private minibus. Child and Baby Seats for transfers must be booked in advance and are at an extra cost.

CYPLON REPRESENTATIVES

When you travel abroad, our Cyplon Representatives will always be on hand to meet you & make certain that all is to your satisfaction. Generally, we will aim to contact you at the beginning of your stay & if you would like to arrange a further meeting this is also possible. Here, we can provide you with advice & tips on your resort & its surroundings. You will also be provided with an around-the-clock point of call - in case you need any additional assistance whilst on your vacation.

OUR HOLIDAY PRICES

Air fares, hotel rates and other holiday costs fluctuate throughout the year, as do special offers which are changed and updated frequently. In order to avoid any pricing inaccuracies, expired offers and general confusion, we do not display detailed price panels in our brochures as these will change after the brochure has gone to print. Our quoted prices will therefore always be more accurate and more competitive. To obtain a detailed and up to date quotation of your holiday cost, kindly contact your local travel agent or call our friendly reservations team on 020 8340 7612, or visit our website www.cyplon.co.uk for up to date special offers, prices and information.

SENSIBLE PRICE MATCHING POLICY

In the unlikely event that you find a like-for-like holiday package cheaper than what we have quoted, we promise to do our utmost to match the price for you unless we deem the price of our competitor to be "not sensible" due to a pricing error. See website for more details.

LOYALTY

To reward our loyal customers, we are delighted to offer a £50 reduction on your next holiday with us, to any of our destinations featured in our brochures. Please note that this discount is only redeemable when booking again via the same Travel Agent.

Holidays byDESIGN

As pioneers of “Tailor made” holidays, Cyplon Holidays can claim with some pride to have been tailoring holidays before the term was even coined by the travel industry. Our by**DESIGN** concept aims not only to celebrate the beauty of individuality when selecting a holiday but also to combat the growing trend of mass market holidays.

FINDING THE PERFECT FIT

We strive to match you with the perfect resort. Use our holiday type descriptions to reflect on which holiday concept suits you best. All the hotels in this brochure list the concepts for which they fulfil – making your holiday selection easier and less stressful.

NO RESTRICTIONS

Cyplon Holidays will not restrict you unlike some other big travel operators. byDesign not only allows you a great deal of flexibility when choosing your destination but we allow you to travel on ANY date, ANY day, ANY airline, from ANY airport, for ANY duration. We also allow you to fine-tune smaller details of your travel, such as VIP lounge passes and even in-flight meals etc.

LUXURY HOLIDAYS

For our more discerning customers who are looking for a little indulgence, these hotels will guarantee that extra special luxury holiday, where quality accommodation, top class service and fine dining are the most important factors.

FAMILY HOLIDAYS

Spending quality time with the family is one of the most important things in life and something that Cyplon Holidays places great emphasis on. We have hand-picked the hotels that will provide you with the most suitable environment for some special bonding time. Not forgetting a hotel that allows the kids to play and have fun in an exciting, yet safe, environment.

BEACH HOLIDAYS

Want the sun, sea and sand? Are sunbathing and relaxation your key ingredients? Look no further than our beach holidays. These hotels will be in close proximity to the wonderful ocean shore if not right next to it– Paradise!

ALL INCLUSIVE HOLIDAYS

Our all inclusive holidays offer a fantastic way to efficiently plan and budget a trip, especially for those with larger families or groups. We have selected properties that offer a fabulous array of dining opportunities, as well as top-notch recreational facilities and grounds, so that you get the most out of your all inclusive getaway.

SPA HOLIDAYS

Gorgeous hotels, with fantastic spa or health facilities – what more could you want from the ultimate luxury holiday? Book specialist treatments and enjoy relaxing massages. Rest your mind, body and soul on holiday and come home refreshed and revitalised.

GOLF HOLIDAYS

What better place is there to enjoy the game that you love than the sun-drenched countries along the Mediterranean and Aegean Seas? Here at Cyplon Holidays, we have gathered only the most elegant resorts within close proximity of the world-class courses in this region.

ROMANTIC HOLIDAYS

Looking for spectacular scenery, sumptuous dining and that extra je ne sais quoi? These hotels will help you find that connection with a loved one. Whilst not necessarily an adult-only environment, these hotels will often have a separate adults pool area. At the very least it will have all the other necessary ingredients to make your heart flutter.

ADULT ONLY HOLIDAYS

Relax in tranquillity – Adult Only hotels are available for a more intimate ambience. Perfect for those who are looking to spend some quality time with their partners and without all the hustle and bustle.

BOUTIQUE HOLIDAYS

Looking for something luxurious, intimate and perhaps a bit quirky and different? Try one of our beautiful boutique hotels.

SELF CATERING & VILLA HOLIDAYS

If you are looking for privacy then we thoroughly recommend staying in a magnificent holiday villa or self-catering apartment. Take advantage of the local produce and become a master chef abroad!

CITY BREAK HOLIDAYS

Looking for a hotel in the heart of town? Try one of our City break hotels for convenience and a bit of cosmopolitan style.

It is blessed with exceptional beaches, azure waters, imposing mountains, a host of underwater treasures and vast pine forests that contain a huge variety of flora and fauna. It is easy to reach and has two airports, one in Paphos and one in Larnaca.

The summers are long and hot with average highs recorded in Nicosia of 37°C and slightly cooler temperatures, which range between 26–30°C in the coastal areas. The higher regions of the Troodos Mountain range have a slightly different climate, with colder winters and summer temperatures of 21°C.

Cypriot cuisine takes inspiration from a host of countries around the Mediterranean Sea resulting in a unique blend of tastes to suit every palate from the biggest meat-eaters to vegetarians. HISTORY & CULTURE

With a rich and varied history, it is renowned since ancient times for its mineral wealth, natural beauty and strategic importance. In the Hellenistic period, it was the birthplace of Aphrodite, goddess of beauty and is the setting for many of the most famous stories involving her, including her first love affair with Adonis. However, Cyprus' strategic importance as a naval base in the Mediterranean also meant that it has had a turbulent history, filled with many conquests. Cyprus was then involved in many of the crucial events of ancient history, including being part of the Persian Empire and being involved in the wars of the successors, where Alexander the Great's generals battled to see who would succeed him. It remained a part of the Eastern Roman Empire for the next 1000 years, until it was taken by Richard the Lionheart during the crusades, eventually falling to the powerful Ottoman Empire as it spread across Turkey. Cyprus remained a part of the Ottoman empire until it was awarded to Britain in 1860, finally gaining its independence in 1960. It is a place of myth and legend, immersed in history, which every visitor is sure to find alluring and fascinating.

Greece Holidays

Greece is a modern country, flowered in ancient history, with exquisite food, majestic beaches, a warm sunny climate, rich cultural heritage and a whole host of other things. This makes it, one of, if not the finest holiday destination in the entire world. On the mainland you will find Athens, the cradle of western civilization, birthplace of philosophy, theatre and democracy. The Peloponnese and Thessaloniki, are beautiful historic regions in their own right, home to ancient Sparta and Macedon, the kingdom of Alexander the Great, while in the islands that surround it, visitors will be greeted by yet more stunning history, gorgeous beaches, azure waters, unique flora and fauna and dramatic rock formations.

“.....
***The cradle of western civilization,
Greece combines incredible history
with a host of magical destinations
to create unforgettable holiday
experiences***
.....”

LOCATION

Greece is a country located in the south east of Europe, consisting of thousands of islands dotted throughout the Aegean and Ionian seas. Its capital, Athens, is located on the mainland and is famous for its grand Acropolis, overlooking the city. The country has a population of 10.75 million and uses the euro as its currency. Other notable places include the Peloponnesian region, which used to host ancient Sparta, large islands like Crete and Mykonos, along with popular tourist destinations like Santorini and Paros.

WEATHER

Whether you are staying in Mainland Greece or one of the magical Greek islands you can look forward to a typical Mediterranean climate, where the summer is long and hot & winter is mild and cool. The best time to visit Greece is between the months of April and September, when the temperature is almost always above 20 degrees & rain is a rarity. Venture out to the mountains and you will find that the climate adjusts, being more fresher & cooler in the summer & cold in the winter with snow coating the mountains.

CUISINE

Its rich food culture is undoubtedly one of the best in the entire world. Some of the most famous dishes, include mezes, which are usually accompanied by either ouzo or tsipouro, and are commonly described as the Greek equivalent of tapas, such as Tzatziki, a garlic infused yoghurt with cucumber, 'Spanakopitakia', which are small spinach pies with crushed Feta cheese and 'Dolmadakia', a blanket of vine leaves filled with rice, onions or minced beef. Feta is the most famous Greek cheese, which is usually crumbled over tomatoes, olives and cucumber to make Greek salad.

HISTORY & CULTURE

With one of the richest and most interesting histories, it is the birthplace of western literature, with the Homeric epics, Iliad and Odyssey; along with a rich tradition of ancient mythology including the Olympian gods like Zeus, Poseidon and Hades. Greece has given the world some of the greatest thinkers to have ever lived, including Herodotus (inventor of history), Hippocrates (inventor of medicine), Socrates, Plato, Aristotle and Pythagoras. Athens was originally a dictatorship, before a 5th century revolution brought about the world's first democracy. Sparta was created 100 years earlier by Lycurgus, who developed a unique warrior culture, where all boys were taken from their parents at the age of 8, to train as hoplites. The two Greek states came to the attention of Darius the Great. This led to the first Persian invasion, when the Athenians defeated Darius' army at the Battle of Marathon. Following the Peloponnesian war and the rule of Alexander the Great, the Macedonian Empire was eventually taken over by the Romans, passing to the Byzantines and then the Ottomans, before Greece rebelled and became its own state in 1821.

Mainland Greece

Athens is an eclectic blend of ancient and modern, the birthplace of democracy, philosophy and theatre. It is not known as the cradle of Western Civilization without reason. The Athenian Riviera also provides a beautiful contrast to the hustle and bustle of Athens City. Halkidiki, the three-fingered peninsula juts out into the Aegean Sea from the north of the Greek mainland. An idyllic area in northern Greece, it blends a hot climate, with great food and majestic nature. The Peloponnese is the perfect blend of history, beautiful nature and gorgeous beaches, ensuring that it appeals to everyone. Home to monuments from its Roman, Byzantine and Ottoman past, Thessaloniki is a fascinating place to visit for history lovers.

ATHENS

Universally significant, Athens is a modern metropolis with fantastic sites of wonder, bustling squares with restaurants & bars that charm, all beautifully coming together by its welcoming & hospitable people, making it an attractive & fascinating city to explore year-round.

Cyclades Islands

The ‘Cyclades Islands’ are located south-east of mainland Greece. The name of the island group refers to the islands that ‘circle’ the sacred island of Delos. Whilst Mykonos and Santorini are by far the most popular islands within this group, the lesser known islands should not be ignored. Most of the Cycladic islands are peaks of mountainous land, now submerged under the Aegean Sea and the islands of Santorini and Milos are volcanic islands. Given the islands’ geology, most of the islands’ terrain can be hilly and therefore offer some incredible panoramic vistas. You can fly directly to Mykonos or Santorini where there are excellent connections to the other islands. Alternatively, from Athens there are internal flight-connections to the islands of Milos, Syros, Mykonos and Santorini..

Ionian Islands

The Ionian Islands are found to the west of mainland Greece with Kefalonia, Corfu & Zakynthos the most famous in this stunning archipelago. The largest island is Kefalonia, which blends beautiful natural scenery, with temperate weather & a host of fun activities. Corfu boasts a paradise combining stunning golden beaches, turquoise waters, and plenty of lush green vegetation, whilst Zakynthos is blessed with a plethora of incredible beaches, many of which are used by a colony of sea turtles for breeding and offering a host of underwater treasures. We also offer holidays to Ithaca, Paxos & Lefkada. As there are fewer ferry links to the other Ionian islands with many routes being indirect, it is best to fly to Corfu, Zakynthos or Kefalonia. Flying into mainland Greece is also an option..

Terms & Conditions

1. OUR DETAILS

Cyplon Travel LTD (trading as Cyplon Holidays), 246 Green Lanes, London, N13 5XT. Telephone - 020 8340 7612 – E-mail – sales@cyplon.co.uk

2. YOUR HOLIDAY BOOKING

A booking will exist as soon as we issue our confirmation invoice. This booking is made on the terms of these booking conditions. When you make a booking, you guarantee that you have the authority to accept & do accept on behalf of your party the terms of these booking conditions.

3. PAYING FOR YOUR HOLIDAY

Any prices shown in our brochure are for guidance only. We adopt a completely fluid method of pricing our holidays (ie our prices may change second by second to reflect ever changing airfares, hotel rates etc.). Additionally, Special Offers are subject to availability and applicable dates, and are subject to change. You will be advised of the current price of the holiday that you wish to book before your contract is confirmed. When you make a booking, you must pay a non-refundable deposit of £100 per person plus an agreed amount for flight seats purchased at time of booking. An additional non-refundable deposit will be required for a Wedding or Cruise & it may differ for a group booking. The balance of the price of your travel arrangements must be paid at least 10 weeks before your departure date. If you are booking late i.e. within 10 weeks of departure, full payment will be required. If the deposit and/or balance is not paid in time, we shall cancel your travel arrangements. If the balance is not paid in time we shall retain your deposit.

4. IF YOU CANCEL YOUR HOLIDAY

You, or any member of your party, may cancel your travel arrangements at any time. Written notification from the person who made the booking or your travel agent must be received at our offices. Since we incur costs in cancelling your travel arrangements, you will have to pay cancellation charges as follows:

Period before departure in which you notify us	Cancellation Charge:
More than 70 days	Deposit only
70-57 days	30% of holiday cost or deposit if greater
56-29 days	50% of holiday cost or deposit if greater
28-15 days	70% of holiday cost or deposit if greater
14-8 days	90% of holiday cost or deposit if greater
7 days or less	100% of holiday cost

The above charges may differ for group bookings as well as special promotional offers & you will be advised at time of booking. Note: If the reason for your cancellation is covered under the terms of your insurance policy, you may be able to reclaim these charges via your travel insurance company. You can cancel your booking without paying cancellation charges if the performance of your package, or the carriage of passengers to your destination, is significantly affected by unavoidable & extraordinary circumstances. In such circumstances, we will arrange for your booking to be terminated & for you to receive a full refund. We will observe advice provided by the UK Foreign & Commonwealth Office.

5. IF YOU CHANGE YOUR BOOKING

If, after our confirmation invoice has been issued, you wish to change your travel arrangements in any way, for example your chosen departure date or accommodation, we will do our utmost to make these changes but it may not always be possible. Any request for changes to be made must be in writing from the person who made the booking or your travel agent. You will be asked to pay an administration charge of £25 per person, & any further cost we incur in making this alteration. You should be aware that these costs could increase the closer to the departure date that changes are made & you should contact us as soon as possible. Note: Certain travel arrangements may not be changeable after a reservation has been made & any alteration request could incur a cancellation charge of up to 100% of that part of the arrangements. Furthermore if your booking changes because someone in your party cancels, this may increase the overall cost of the holiday as it may be necessary to levy under- occupancy or single room supplements. You can transfer your booking to another person, who satisfies all the conditions that apply to this booking, by giving us notice in writing as soon as possible & no later than 7 days before departure. Both you & the new traveller are responsible for paying all costs we incur in making the transfer.

6. IF WE CANCEL OR CHANGE YOUR BOOKING

(a) Cancellation: We reserve the right to cancel your booking. We will not cancel less than 10 weeks before your departure date, except for unavoidable & extraordinary circumstances, or failure by you to pay the final balance. Unavoidable & extraordinary circumstances means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken. If your holiday is cancelled you can either have a refund of all monies paid or accept an alternative holiday of comparable standard from us if we offer one (we will refund any price difference if the alternative is of a lower value).

In the event a refund is paid to you, we will:

1. Provide a full refund of your travel insurance premiums if you paid them to us & can show that you are unable to transfer or reuse your policy.
2. Pay compensation as detailed below except where the cancellation is due to unavoidable & extraordinary circumstances (see definition above).

(b) Changes: (1) - Changes to the price

We can change your holiday price after you've booked, only in certain circumstances: Changes in transportation costs including the cost of fuel or other power sources, the level of taxes or fees imposed by third parties including tourist taxes, landing taxes or embarkation or disembarkation fees at ports & airports or exchange rates mean

that the price of your travel arrangements may change after you have booked. However, there will be no change within 20 days of your departure. We will absorb, & you will not be charged for, any increase equivalent to 2% of the price of your travel arrangements, which excludes insurance premiums & any amendment charges. You will be charged for the amount over & above that plus an administration charge of £100 per person together with an amount to cover agent's commission. If this results in an increase equivalent to more than 8% of the price of your travel arrangements, you will have the option of accepting a change to another holiday if we are able to offer one (we will refund any price difference if the alternative is of a lower value), or cancelling & receiving a full refund of all monies paid, except for any amendment charges. Should you decide to cancel: 1) you must do so within 14 days from the invoice 2) We will provide a refund of insurance premiums paid to us if you can show that you are unable to transfer or reuse your policy. Should the price of your holiday go down due to the cost changes mentioned above, then any refund due will be paid to you. We will deduct from this refund our administrative expenses incurred. Please note that travel arrangements are not always purchased in local currency & some apparent changes have no impact on the price of your travel due to contractual & other protection in place.

In the unlikely event of a genuine costing error caused by either our reservations team or in house booking system, or appearing on your confirmation invoice, we reserve the right to amend accordingly. Similarly, we undertake to refund any overcharge caused by such an error.

(2) - Changes other than the price

It is a term of your booking that we are able to make changes to any aspect of your booking. If the change is insignificant, we will ensure that you are notified about it. Examples of insignificant changes include alteration of your outward/return flights by less than 12 hours, changes to aircraft type, change of accommodation to another of the same or higher standard, changes of carriers.

If we are constrained by circumstances beyond our control to alter significantly any of the main characteristics of the travel services that make up your package you will have the rights set out below.

• We will contact you or your travel agent & you will have the choice of accepting the change or having a refund of all monies paid. You can also accept an alternative holiday, where we offer one (we will refund any price difference if the alternative is of a lower value). We will tell you the procedure for making your choice. Please read any notification of changes carefully & respond promptly as if you do not respond to us within the timescale given your booking may be cancelled.

• If you choose to accept a refund:

1. We will provide a full refund of your travel insurance premiums if you paid them to us & can show that you are unable to transfer or reuse your policy.
2. We will pay compensation as detailed below except where the significant change is due to unavoidable & extraordinary circumstances, which means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken.

(c) Compensation: if we cancel or make a major change to your booking The compensation that we offer does not exclude you from claiming more if you are entitled to do so.

Period before departure in which you notify us	Compensation From Us:
More than 70 days	NIL
70-57 days	£5
56-29 days	£10
28-15 days	£15
14-8 days	£20
7 days or less	£25

We will not be liable where any failure to perform or improper performance of the travel services is due to: you or another member of your party; or a third party unconnected with the provision of the travel services in the package & is unforeseeable or unavoidable, or unavoidable & extraordinary circumstances, which means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken. Our liability will also be limited in accordance with and/or in an identical manner to

- a) The contractual terms of the companies that provide the travel services that make up your package. These terms are incorporated into this booking; &
- b) Any relevant international convention, for example the Montreal Convention in respect of travel by air, the Athens Convention in respect of travel by sea, the Berne Convention in respect of travel by rail & the Paris Convention in respect of the provision of accommodation, which limit the amount of & conditions under which compensation can be claimed for death, injury, delay to passengers & loss, damage & delay to luggage. We are to be regarded as having all benefit of any limitation of the extent of or the conditions under which compensation is to be paid under these or any conventions. You can ask for copies of the travel service contractual terms, or the international conventions, from our offices at Cyplon Holidays, 246 Green Lanes, London N13 5XT or sales@cyplon.co.uk. Under EU law (Regulation 261/2004) you have

rights in some circumstances to refunds and/or compensation from your airline in cases of denied boarding, cancellation or delay to flights. Full details will be published at EU airports & available from airlines. However reimbursement in such cases will not automatically entitle you to a refund of your holiday cost from us. Your right to a refund and/or compensation from us is set out in these booking conditions. If any payments to you are due from us, any payment made to you by the airline or any other service provider will be deducted. NB this entire clause does not apply to any separate contracts that you may enter into for excursions or activities whilst on holiday.

8. PROTECTING YOUR MONEY

We provide full financial protection for our package holidays.

1. For flight-based holidays this is through our Air Travel Organiser's Licence number 0891 issued by the Civil Aviation Authority, Gatwick Airport South, West Sussex, RH6 0YR, UK, telephone 0333 103 6350, email claims@caa.co.uk. When you buy an ATOL protected flight or flight inclusive holiday from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you & who to contact if things go wrong. We will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where we aren't able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations & you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable).

If we are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

2. When you buy a package holiday that doesn't include a flight, protection is provided by way of a bond held by ABTA.

We are not responsible for the provision of the excursion or tour or for anything that happens during the course of its provision by the operator.

14. TRAVEL AGENTS

All monies you pay to the travel agent are held by him on behalf & for the benefit of the Trustees of the Air Travel Trust at all times. This is subject to the agent's obligation to pay it to us for as long as we do not fail. If we fail, any money held at that time by the agent, or subsequently accepted from you by him, is & continues to be held on behalf of & for the benefit of the Trustees of the Air Travel Trust without any obligation to pay that money to us.

18. GENERAL HOLIDAY INFORMATION

General Holiday Information can be found on our website and forms part of our Terms & Conditions. It is important that these be read and understood before making a booking. Visit our website for full details: www.cyplon.co.uk/terms.phtml

19. TRAVEL INSURANCE

We strongly recommend that you and all members of your travelling party take out adequate travel insurance before you travel. It is also advised that you check and ensure that your policy covers for cancellation and/or medical costs brought about by COVID-19.

20. COVID-19: LIMITATION OF LIABILITY

We both acknowledge the ongoing COVID-19 global crisis and accept our obligations to comply with any official guidance from governments or local authorities, both in the UK and whilst on holiday.

Please note that we will have no liability for any refunds, compensation, costs, expenses or other losses of any kind incurred by you (including, where applicable, the cost of medical treatment), in the following circumstances:

• If you, or anyone in your booking party, test positive for Covid-19 and have to quarantine for a period of time, or are notified or otherwise become aware that you have, or suspect you may have, come into close contact with someone who has tested positive for Covid-19 (or where they otherwise suspect they may have Covid-19) and have to self-isolate for a period of time.

If this happens within 14 days of your departure date, you must contact us as you may no longer be able to travel. We will offer you the following options where possible and subject to availability:

• Postponing your holiday to a later date. We will notify you of any impact on the price the postponement may have (please note that you may have to pay full cancellation charges on some elements of your holiday, such as the flight, as well as any increase in cost imposed by other suppliers);

• If not everyone on the booking is affected, you will have the right to transfer your place on the holiday to another person nominated by you, subject always to the requirements of clause 5;

• Cancelling your holiday, in which case we will impose our standard cancellation charges as at the date of cancellation by you. You may be able to claim these costs back from your travel insurance.

If this happens whilst you are on your holiday, please notify us without delay and we will provide such reasonable assistance as we can in the circumstances. However, we will not be responsible for covering the cost of any curtailment of your holiday, missed transport arrangements, additional accommodation required, or other associated costs incurred by you. You must ensure you have travel insurance which covers these costs for you.

• You fail any tests, checks or other measures imposed by a supplier, airline, port or airport, border control authority or other government body or local authority or fail to submit for testing or assessment when requested to do so, and as such you are denied entry to board the flight, entry to the destination, access to the services or you are otherwise unable to proceed with the holiday, or that portion of the holiday.

You also acknowledge that the suppliers providing your holiday, including airlines, hotels and excursion providers, will need to comply with national and/or local guidance and requirements relating to Covid-19, and have implemented certain measures as a result. This will likely include specific requirements regarding personal protective equipment, such as use of face-masks by staff (and you may be required to wear a face-mask as well), social distancing, maximum number restrictions on the use of certain facilities, designated alternative entrance and exit routes, mandatory hand sanitisation, limited entertainment options and limited food/drink availability. We do not expect these measures to have a significant impact on your enjoyment of the holiday and all measures will be taken with the purpose of securing your safety and those around you.
