Celebrating our 50th year!

This year Cyplon Holidays is celebrating its 50th year of trading in the travel industry, an accomplishment that fills me with great pride and also immense gratitude. When my parents started this company in 1972, they couldn't even imagine that what they created would be here fifty years later. With such a milestone there is nostalgia looking back at the obstacles they faced when starting out, but also excitement looking forward with this company being taken into the future by the family's third generation. However, one thing is for certain and that is Cyplon Holidays would not have achieved fifty years of trading without you – so on behalf of my parents and the whole of the Cyplon Holidays family, I thank you!

OUR HOLIDAY PRICES

Air fares, hotel rates and other holiday costs fluctuate throughout the year, as do special offers which are changed and updated frequently. SENSIBLE PRICE MATCHING POLICY

In the unlikely event that you find a like-for-like holiday package cheaper than what we have quoted, we promise to do our utmost to match the price for you unless we deem the price of our competitor to be "not sensible" due to a pricing error. See website for more details.

Visitors should also be aware that the more elevated regions can also have a varying climate, but in general it is as hot as somewhere like Italy in summer.

CUISINE

Israeli cuisine is some of the most varied and delicious in all of the world, thanks to the incredible range of culinary traditions that it encompasses. It is greatly influenced by the many empires that held hegemony over the area, including Mediterranean and Arab influences. Many of the most popular foods are well known around the world, with things like Falafel (fried chickpeas), Hummus (blended chickpea paste), shakshouka (fried eggs in tomato sauce), couscous (a flavoured type of rice) and moussaka (aubergine lasagne) all extremely popular.

HISTORY & CULTURE

The earliest evidence of actual Jewish occupation of Israel, followed the Jewish exodus from Egypt, when a figure known as Moses, supposedly led his people out of slavery and back to the promised land. Israel was then ruled by a succession of Jewish kings, with the most notable being King David and King Solomon, who ruled the country in the 10th and 11th century BC. They are credited with the founding of the capital Jerusalem and built several important shrines that still stand to this day. The persecution of the Jewish people in the 20th century, caused the Zionist movement to be formed, which believed that Jews would only ever be safe in their own nation, eventually leading to the formation of Israel in 1948.

Resorts in Israel

Given that Israel offers such diversity & that such a variety of experiences can be had in this fascinating ancient land, it is little wonder that the vast majority of our clients do not remain in one part of the country for the duration of their stay in Israel, but they wish to explore & absorb as much of what Israel has to offer as possible. Even if you are visiting Israel for a specific reason, whether it be for a city break in Tel Aviv, a religious trip to Jerusalem or to bathe in the Dead Sea, the country is not so large that you can't take advantage of more than one resort or city in Israel. Israel is everything you want it to be and more.

UNESCO World Heritage Site – Petra, Jordan

Jordan Holidays

Home to one of the New Seven Wonders of the World, an ancient land situated on the Red Sea and encompassing some truly spectacular desert landscapes, Jordan is a place quite unlike anywhere else in the world. The people are welcoming, the food is delicious, and it has a plethora of amazing places that all visitors are bound to appreciate. From the magic of its desert landscapes to majestic Roman remains, from cosmopolitan Amman to mystical Petra, Jordan offers a unique cultural experience that is simply not to be missed. It's also attractive to the more laid-back traveller; Aqaba is an unspoilt yet thriving Red Sea resort, while the Dead Sea offers the ultimate pampering beach holiday.

LOCATION

Situated in the heart of the Middle East, it is bordered by Israel, Syria, Egypt and Saudi Arabia. Its official language is Arabic, and it lies on the east bank of the famous River Jordan. It played a crucial role in many Biblical stories due to its proximity to Israel and is most famous for the city of Petra: the lost Nabatean capital that has since been rated as one of the seven wonders of the world. Its capital Amman is located in the centre of the country being a crucial landmark on the journey between Israel and Saudi Arabia. Jordan is medium-sized with a population of around 10 million.

WEATHER

Being in the heart of the Middle East and with 90% of the country covered by desert, the weather in Jordan can hit high and low extremities. During the summer months of June, July and August – in desert areas specifically – temperatures can soar as high as 40 degrees during the day, and fall as low as 4 degrees when the sun sets. Many people tend to prefer travelling during spring and autumn months when temperatures are a little less intense, and it is therefore advised to plan your trip accordingly.

CUISINE

The best way to anyone's heart is through their stomach. Jordan has a huge range of food and mezes to try and sample. Whether it be passing by a food stall or having a traditional sit down Jordanian meal, you'll be sure to indulge in the unique flavours and aromas. As Jordan is one of the largest producers of olives in the world, Jordanians always find a way to integrate this delicious, and some believe medicinal ingredient, into their authentic cooking. Along with the two main herbs Sumac and Za'atar, which are grown wild in Jordan, yoghurt is also a very popular ingredient and is included in their national dish Mansaf.

HISTORY & CULTURE

The modern state of Jordan is relatively young, with it officially being recognized as the “Hashemite Kingdom of Jordan” in 1946. However, the history of the region that we today call Jordan is quite simply staggering. Having been inhabited for at least 500,000 years, it is one of the oldest in the world. It was occupied by the Canaanites for much of the Bronze age, whose desert knowledge and ability to melt copper made them a rich civilization. This was enhanced by the location of Amman, the capital, which was placed along a vital trading route between the sea and the rest of the Middle East. It is also the supposed location of the walk across the desert in the Bible, with Moses guiding his people through Jordan, before dying in the country and not reaching the promised land. Jordan fell to the Babylonians when Nebuchadnezzar sacked Jerusalem and the surrounding area, becoming part of a series of the most powerful empires in the world including the Romans, Persians and Byzantines. It was conquered by the Arabs during the 8th century and was then the scene of many crusader battles, before becoming a part of the Ottoman empire for the majority of the next 500 years. This changed when Lawrence of Arabia visited the area and launched his famous ride across the desert, with the state of Trans-Jordan, before Jordan formed following the First World War Settlement.

Resorts in Jordan

Jordan, much like Israel, is bursting with natural beauty and ancient wonders. It is rare that visitors to Jordan will visit only one resort or city. Jordan is best discovered by experiencing as much of the richness and diversity that this country is able to offer. From the cosmopolitan Amman, the ancient Petra, the healing Dead Sea, the Red Sea waters of Aqaba and the stunning wilderness of Wadi Rum, each of Jordan's main cities and resorts are truly unique and offer a completely different experience from the next. Across the next two pages you will find a brief overview of each resort that will hopefully give you a sense of the diversity of unforgettable experiences to be had in Jordan.

TERMS & CONDITIONS

1. OUR DETAILS

Cyplon Travel LTD (trading as Cyplon Holidays), 246 Green Lanes, London, N13 5XT. Telephone - 020 8340 7612 – E-mail – sales@cyplon.co.uk

2. YOUR HOLIDAY BOOKING

A booking will exist as soon as we issue our confirmation invoice. This booking is made on the terms of these booking conditions. When you make a booking, you guarantee that you have the authority to accept & do accept on behalf of your party the terms of these booking conditions.

3. PAYING FOR YOUR HOLIDAY

Any prices shown in our brochure are for guidance only. We adopt a completely fluid method of pricing our holidays (ie our prices may change second by second to reflect ever changing airfares, hotel rates etc.). Additionally, Special Offers are subject to availability and applicable dates, and are subject to change. You will be advised of the current price of the holiday that you wish to book before your contract is confirmed. When you make a booking, you must pay a non-refundable deposit of £100 per person plus an agreed amount for flight seats purchased at time of booking. An additional non-refundable deposit will be required for a Wedding or Cruise & it may differ for a group booking. The balance of the price of your travel arrangements must be paid at least 10 weeks before your departure date. If you are booking late i.e. within 10 weeks of departure, full payment will be required. If the deposit and/or balance is not paid in time, we shall cancel your travel arrangements. If the balance is not paid in time we shall retain your deposit.

4. IF YOU CANCEL YOUR HOLIDAY

You, or any member of your party, may cancel your travel arrangements at any time. Written notification from the person who made the booking or your travel agent must be received at our offices. Since we incur costs in cancelling your travel arrangements, you will have to pay cancellation charges as follows:

Period before departure in which you notify us	Cancellation Charge:
More than 70 days	Deposit only
70-57 days	30% of holiday cost or deposit if greater
56-29 days	50% of holiday cost or deposit if greater
28-15 days	70% of holiday cost or deposit if greater
14-8 days	90% of holiday cost or deposit if greater
7 days or less	100% of holiday cost

The above charges may differ for group bookings as well as special promotional offers & you will be advised at time of booking. Note: If the reason for your cancellation is covered under the terms of your insurance policy, you may be able to reclaim these charges via your travel insurance company. You can cancel your booking without paying cancellation charges if the performance of your package, or the carriage of passengers to your destination, is significantly affected by unavoidable & extraordinary circumstances. In such circumstances, we will arrange for your booking to be terminated & for you to receive a full refund. We will observe advice provided by the UK Foreign & Commonwealth Office.

5. IF YOU CHANGE YOUR BOOKING

If, after our confirmation invoice has been issued, you wish to change your travel arrangements in any way, for example your chosen departure date or accommodation, we will do our utmost to make these changes but it may not always be possible. Any request for changes to be made must be in writing from the person who made the booking or your travel agent. You will be asked to pay an administration charge of £25 per person, & any further cost we incur in making this alteration. You should be aware that these costs could increase the closer to the departure date that changes are made & you should contact us as soon as possible. Note: Certain travel arrangements may not be changeable after a reservation has been made & any alteration request could incur a cancellation charge of up to 100% of that part of the arrangements. Furthermore if your booking changes because someone in your party cancels, this may increase the overall cost of the holiday as it may be necessary to levy under-occupancy or single room supplements. You can transfer your booking to another person, who satisfies all the conditions that apply to this booking, by giving us notice in writing as soon as possible & no later than 7 days before departure. Both you & the new traveller are responsible for paying all costs we incur in making the transfer.

6. IF WE CANCEL OR CHANGE YOUR BOOKING

(a) Cancellation: We reserve the right to cancel your booking. We will not cancel less than 10 weeks before your departure date, except for unavoidable & extraordinary circumstances, or failure by you to pay the final balance. Unavoidable & extraordinary circumstances means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken. If your holiday is cancelled you can either have a refund of all monies paid or accept an alternative holiday of comparable standard from us if we offer one (we will refund any price difference if the alternative is of a lower value).

In the event a refund is paid to you, we will:

1. Provide a full refund of your travel insurance premiums if you paid them to us & can show that you are unable to transfer or reuse your policy.
2. Pay compensation as detailed below except where the cancellation is due to unavoidable & extraordinary circumstances (see definition above).

(b) Changes: (1) - Changes to the price

We can change your holiday price after you've booked, only in certain circumstances. Changes in transportation costs including the cost of fuel or other power sources, the level of taxes or fees imposed by third parties including tourist taxes, landing taxes or embarkation or disembarkation fees at ports & airports or exchange rates mean

that the price of your travel arrangements may change after you have booked. However, there will be no change within 20 days of your departure. We will absorb, & you will not be charged for, any increase equivalent to 2% of the price of your travel arrangements, which excludes insurance premiums & any amendment charges. You will be charged for the amount over & above that plus an administration charge of £100 per person together with an amount to cover agent's commission. If this results in an increase equivalent to more than 8% of the price of your travel arrangements, you will have the option of accepting a change to another holiday if we are able to offer one (we will refund any price difference if the alternative is of a lower value), or cancelling & receiving a full refund of all monies paid, except for any amendment charges. Should you decide to cancel: 1) you must do so within 14 days from the invoice 2) We will provide a refund of insurance premiums paid to us if you can show that you are unable to transfer or reuse your policy. Should the price of your holiday go down due to the cost changes mentioned above, then any refund due will be paid to you. We will deduct from this refund our administrative expenses incurred. Please note that travel arrangements are not always purchased in local currency & some apparent changes have no impact on the price of your travel due to contractual & other protection in place.

In the unlikely event of a genuine costing error caused by either our reservations team or in house booking system, or appearing on your confirmation invoice, we reserve the right to amend accordingly. Similarly, we undertake to refund any overcharge caused by such an error.

(2) - Changes other than the price

It is a term of your booking that we are able to make changes to any aspect of your booking. If the change is insignificant, we will ensure that you are notified about it. Examples of insignificant changes include alteration of your outward/return flights by less than 12 hours, changes to aircraft type, change of accommodation to another of the same or higher standard, changes of carriers.

If we are constrained by circumstances beyond our control to alter significantly any of the main characteristics of the travel services that make up your package you will have the rights set out below.

• We will contact you or your travel agent & you will have the choice of accepting the change or having a refund of all monies paid. You can also accept an alternative holiday, where we offer one (we will refund any price difference if the alternative is of a lower value). We will tell you the procedure for making your choice. Please read any notification of changes carefully & respond promptly as if you do not respond to us within the timescale given your booking may be cancelled.

• If you choose to accept a refund:

1. We will provide a full refund of your travel insurance premiums if you paid them to us & can show that you are unable to transfer or reuse your policy.

2. We will pay compensation as detailed below except where the significant change is due to unavoidable & extraordinary circumstances, which means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken.

(c) Compensation: if we cancel or make a major change to your booking The compensation that we offer does not exclude you from claiming more if you are entitled to do so.

Period before departure we notify you	Compensation From Us:
More than 70 days	NIL
70-57 days	£5
56-29 days	£10
28-15 days	£15
14-8 days	£20
7 days or less	£25

7. OUR LIABILITY TO YOU

You must inform us without undue delay of any failure to perform or improper performance of the travel services included in this package. If any of the travel services included in your package are not performed in accordance with the contract, or are improperly performed, by us or the travel service suppliers, & this has affected the enjoyment of your travel arrangements, you may be entitled to an appropriate price reduction or compensation or both. We will not be liable where any failure to perform or improper performance of the travel services is due to: you or another member of your party; or a third party unconnected with the provision of the travel services in the package & is unforeseeable or unavoidable; or unavoidable & extraordinary circumstances, which means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken. Our liability, except in cases involving death, injury or illness, shall be limited to a maximum of two times the cost of your travel arrangements. Our liability will also be limited in accordance with and/or in an identical manner to

a) The contractual terms of the companies that provide the travel services that make up your package. These terms are incorporated into this booking; & b) Any relevant international convention, for example the Montreal Convention in respect of travel by air, the Athens Convention in respect of travel by sea, the Berne Convention in respect of travel by rail & the Paris Convention in respect of the provision of accommodation, which limit the amount of & conditions under which compensation can be claimed for death, injury, delay to passengers & loss, damage & delay to luggage. We are to be regarded as having all benefit of any limitation of the extent of or the conditions under which compensation is to be paid under these or any conventions. You can ask for copies of the travel service contractual terms, or the international conventions, from our offices at Cyplon Holidays, 246 Green Lanes, London N13 5XT or sales@cyplon.co.uk. Under EU law (Regulation 261/2004) you have

rights in some circumstances to refunds and/or compensation from your airline in cases of denied boarding, cancellation or delay to flights. Full details will be published at EU airports & available from airlines. However reimbursement in such cases will not automatically entitle you to a refund of your holiday cost from us. Your right to a refund and/or compensation from us is set out in these booking conditions. If any payments to you are due from us, any payment made to you by the airline or any other service provider will be deducted. NB this entire clause does not apply to any separate contracts that you may enter into for excursions or activities whilst on holiday.

8. PROTECTING YOUR MONEY

We provide full financial protection for our package holidays.

1. For flight-based holidays this is through our Air Travel Organiser's Licence number 0891 issued by the Civil Aviation Authority, Gatwick Airport South, West Sussex, RH6 0YR, UK, telephone 0333 103 6350, email claims@caa.co.uk. When you buy an ATOL protected flight or flight inclusive holiday from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you & who to contact if things go wrong. We will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where we aren't able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations & you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable).

If we are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

2. When you buy a package holiday that doesn't include a flight, protection is provided by way of a bond held by ABTA.

19. TRAVEL INSURANCE

We strongly recommend that you and all members of your travelling party take out adequate travel insurance before you travel. It is also advised that you check and ensure that your policy covers for cancellation and/or medical costs brought about by COVID-19.

20. COVID-19: LIMITATION OF LIABILITY

We both acknowledge the ongoing COVID-19 global crisis and accept our obligations to comply with any official guidance from governments or local authorities, both in the UK and whilst on holiday.

Please note that we will have no liability for any refunds, compensation, costs, expenses or other losses of any kind incurred by you (including, where applicable, the cost of medical treatment), in the following circumstances:

• If you, or anyone in your booking party, test positive for Covid-19 and have to quarantine for a period of time, or are notified or otherwise become aware that you have, or suspect you may have, come into close contact with someone who has tested positive for Covid-19 (or where they otherwise suspect they may have Covid-19) and have to self-isolate for a period of time.

If this happens within 14 days of your departure date, you must contact us as you may no longer be able to travel. We will offer you the following options where possible and subject to availability:

• Postponing your holiday to a later date. We will notify you of any impact on the price the postponement may have (please note that you may have to pay full cancellation charges on some elements of your holiday, such as the flight, as well as any increase in cost imposed by other suppliers);

• If not everyone on the booking is affected, you will have the right to transfer your place on the holiday to another person nominated by you, subject always to the requirements of clause 5;

• Cancelling your holiday, in which case we will impose our standard cancellation charges as at the date of cancellation by you. You may be able to claim these costs back from your travel insurance.

If this happens whilst you are on your holiday, please notify us without delay and we will provide such reasonable assistance as we can in the circumstances. However, we will not be responsible for covering the cost of any curtailment of your holiday, missed transport arrangements, additional accommodation required, or other associated costs incurred by you. You must ensure you have travel insurance which covers these costs for you.

• You fail any tests, checks or other measures imposed by a supplier, airline, port or airport, border control authority or other government body or local authority or fail to submit for testing or assessment when requested to do so, and as such you are denied entry to board the flight, entry to the destination, access to the services or you are otherwise unable to proceed with the holiday, or that portion of the holiday.

You also acknowledge that the suppliers providing your holiday, including airlines, hotels and excursion providers, will need to comply with national and/or local guidance and requirements relating to Covid-19, and have implemented certain measures as a result. This will likely include specific requirements regarding personal protective equipment, such as use of face-masks by staff (and you may be required to wear a face-mask as well), social distancing, maximum number restrictions on the use of certain facilities, designated alternative entrance and exit routes, mandatory hand sanitisation, limited entertainment options and limited food/drink availability. We do not expect these measures to have a significant impact on your enjoyment of the holiday and all measures will be taken with the purpose of securing your safety and those around you.
