You will also be provided with an around-the-clock point of call - in case you need any additional assistance whilst on your vacation.

OUR HOLIDAY PRICES

Air fares, hotel rates and other holiday costs fluctuate throughout the year, as do special offers which are changed and updated frequently. In order to avoid any pricing inaccuracies, expired offers and general confusion, we do not display detailed price panels in our brochures as these will change after the brochure has gone to print. Our quoted prices will therefore always be more accurate and more competitive. To obtain a detailed and up to date quotation of your holiday cost, kindly contact your local travel agent or call our friendly reservations team on 020 8340 7612, or visit our website www.cyplon.co.uk for up to date special offers, prices and information.

SENSIBLE PRICE MATCHING POLICY

In the unlikely event that you find a like-for-like holiday package cheaper than what we have quoted, we promise to do our utmost to match the price for you unless we deem the price of our competitor to be "not sensible" due to a pricing error. See website for more details.

LOYALTY

To reward our loyal customers, we are delighted to offer a £50 reduction on your next holiday with us, to any of our destinations featured in our brochures. Please note that this discount is only redeemable when booking again via the same Travel Agent.

Canary Island Holidays

A holiday to the Canary Islands feels like an adventure to the farthest flung corner of the Spanish territories, but just a stone throw's away from North Western Africa's coastline; a real mix of cultures from a cluster of islands offers seclusion, dreamy coastlines and a unique culture making you feel like it's a whole destination of its own. Gran Canaria, Tenerife, Lanzarote, Fuerteventura, La Palma and La Gomera are islands far from the rest of Spain's mainland and Balearics, offering something a little bit different from the norm. For some, it's the paradisiacal beaches and five-star luxury resorts that really draw them into the Canaries dream; for others, it's the dramatic volcanic landscapes and the promise of endless nature trails across the islands' stunning national parks that really makes it their dream holiday destination.

“.....
An all-year-round destination,
with each island having it's own unique
character and culture...”

YOUR PACKAGE HOLIDAY BOOKING IS WITH CYPLON TRAVEL LTD.

TERMS & CONDITIONS

1. OUR DETAILS
Cyplon Travel LTD (trading as Cyplon Holidays), 246 Green Lanes, London, N13 5XT. Telephone - 020 8340 7612 - E-mail - sales@cyplon.co.uk

2. YOUR HOLIDAY BOOKING
A booking will exist as soon as we issue our confirmation invoice. This booking is made on the terms of these booking conditions. When you make a booking, you guarantee that you have the authority to accept & do accept on behalf of your party the terms of these booking conditions.

3. PAYING FOR YOUR HOLIDAY
Any prices shown in our brochure are for guidance only. We adopt a completely fluid method of pricing our holidays (i.e. our prices may change second by second to reflect ever changing airfares, hotel rates etc.). Additionally, special offers are subject to availability and applicable dates, and are subject to change. You will be advised of the current price of the holiday that you wish to book before your contract is confirmed. When you make a booking, you must pay a non-refundable deposit of £100 per person plus an agreed amount for flight seats purchased at time of booking. An additional non-refundable deposit will be required for a wedding, cruise, yacht charter, tour or certain hotels & it may differ for a group booking, which you will be advised of at the time of booking. The balance of the price of your travel arrangements must be paid at least 10 weeks before your departure date. If you are booking late i.e. within 10 weeks of departure, full payment will be required. If the deposit and/or balance is not paid in time, we shall cancel your travel arrangements. If the balance is not paid in time we shall retain your deposit.

4. IF YOU CANCEL YOUR HOLIDAY
You, or any member of your party, may cancel your travel arrangements at any time. Written notification from the person who made the booking or your travel agent must be received at our offices. Since we incur costs in cancelling your travel arrangements, you will have to pay cancellation charges as follows:

Period before departure in which you notify us	Cancellation Charge:
More than 70 days	Deposit only
70-57 days	30% of holiday cost or deposit if greater
56-29 days	50% of holiday cost or deposit if greater
28-15 days	70% of holiday cost or deposit if greater
14-8 days	90% of holiday cost or deposit if greater
7 days or less	100% of holiday cost

The above charges may differ for group bookings as well as special promotional offers, certain flight, yacht charter and wedding bookings & you will be advised at time of booking. Note: If the reason for your cancellation is covered under the terms of your insurance policy, you may be able to reclaim these charges via your travel insurance company. You can cancel your booking without paying cancellation charges if the performance of your package, or the carriage of passengers to your destination, is significantly affected by unavoidable & extraordinary circumstances. In such circumstances, we will arrange for your booking to be terminated & for you to receive a full refund. We will observe advice provided by the UK Foreign & Commonwealth & Development Office.

5. IF YOU CHANGE YOUR BOOKING
If, after our confirmation invoice has been issued, you wish to change your travel arrangements in any way, for example your chosen departure date or accommodation, we will do our utmost to make these changes but it may not always be possible. Any request for changes to be made must be in writing from the person who made the booking or your travel agent. You will be asked to pay an administration charge of £25 per person, & any further cost we incur in making this alteration. You should be aware that these costs could increase the closer to the departure date that changes are made & you should contact us as soon as possible. Note: Certain travel arrangements may not be changeable after a reservation has been made & any alteration request could incur a cancellation charge of up to 100% of that part of the arrangements. Furthermore if your booking changes because someone in your party cancels, this may increase the overall cost of the holiday as it may be necessary to levy under-occupancy or single room supplements. You can transfer your booking to another person, who satisfies all the conditions that apply to this booking, by giving us notice in writing as soon as possible & no later than 7 days before departure. Both you & the new traveller are responsible for paying all costs we incur in making the transfer.

6. IF WE CANCEL OR CHANGE YOUR BOOKING
(a) Cancellation: We reserve the right to cancel your booking. We will not cancel less than 10 weeks before your departure date, except for unavoidable & extraordinary circumstances, or failure by you to pay the final balance. Unavoidable & extraordinary circumstances means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken. If your holiday is cancelled you can either have a refund of all monies paid or accept an alternative holiday of comparable standard from us if we offer one (we will refund any price difference if the alternative is of a lower value).

In the event a refund is paid to you, we will:

1. Pay compensation as detailed below except where the cancellation is due to unavoidable & extraordinary circumstances (see definition above).

(b) Changes: (1) - Changes to the price

We can change your holiday price after you've booked, only in certain circumstances. Changes in transportation costs including the cost

of fuel or other power sources, the level of taxes or fees imposed by third parties including tourist taxes, landing taxes or embarkation or disembarkation fees at ports & airports or exchange rates mean that the price of your travel arrangements may change after you have booked. However, there will be no change within 20 days of your departure. We will absorb, & you will not be charged for, any increase equivalent to 2% of the price of your travel arrangements, which excludes insurance premiums & any amendment charges. You will be charged for the amount over & above that plus an administration charge of £100 per person together with an amount to cover agent's commission. If this results in an increase equivalent to more than 8% of the price of your travel arrangements, you will have the option of accepting a change to another holiday if we are able to offer one (we will refund any price difference if the alternative is of a lower value), or cancelling & receiving a full refund of all monies paid, except for any amendment charges. Should you decide to cancel: 1) you must do so within 14 days from the invoice 2) We will provide a refund of insurance premiums paid to us if you can show that you are unable to transfer or reuse your policy. Should the price of your holiday go down due to the cost changes mentioned above, then any refund due will be paid to you. We will deduct from this refund our administrative expenses incurred. Please note that travel arrangements are not always purchased in local currency & some apparent changes have no impact on the price of your travel due to contractual & other protection in place.

In the unlikely event of a genuine costing error caused by either our reservations team or in house booking system, or appearing on your confirmation invoice, we reserve the right to amend accordingly. Similarly, we undertake to refund any overcharge caused by such an error.

(2) - Changes other than the price

It is a term of your booking that we are able to make changes to any aspect of your booking. If the change is insignificant, we will ensure that you are notified about it. Examples of insignificant changes include alteration of your outward/return flights by less than 12 hours, changes to aircraft type, change of accommodation to another of the same or higher standard, changes of carriers.

If we are constrained by circumstances beyond our control to alter significantly any of the main characteristics of the travel services that make up your package you will have the rights set out below.

• We will contact you or your travel agent & you will have the choice of accepting the change or having a refund of all monies paid. You can also accept an alternative holiday, where we offer one (we will refund any price difference if the alternative is of a lower value). We will tell you the procedure for making your choice. Please read any notification of changes carefully & respond promptly as if you do not respond to us within the timescale given your booking may be cancelled.

• If you choose to accept a refund:

1. We will pay compensation as detailed below except where the significant change is due to unavoidable & extraordinary circumstances, which means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken.

(c) Compensation: if we cancel or make a major change to your booking the compensation that we offer does not exclude you from claiming more if you are entitled to do so.

Period before departure we notify you	Compensation From Us (per person):
More than 70 days	NIL
70-57 days	£5
56-29 days	£10
28-15 days	£15
14-8 days	£20
7 days or less	£25

the travel service contractual terms, or the international conventions, from our offices at Cyplon Holidays, 246 Green Lanes, London N13 5XT or sales@cyplon.co.uk. Under Air Passenger Rights Law you have rights in some circumstances to refunds and/or compensation from your airline in cases of denied boarding, cancellation or delay to flights. Full details will be publicised at EU airports & available from airlines. However reimbursement in such cases will not automatically entitle you to a refund of your holiday cost from us. Your right to a refund and/or compensation from us is set out in these booking conditions. If any payments to you are due from us, any payment made to you by the airline or any other service provider will be deducted. NB this entire clause does not apply to any separate contracts that you may enter into for excursions or activities whilst on holiday.

You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.
