# WELCOME TO CYPLON HOLIDAYS

Cyplon Travel Ltd was founded in 1972 by husband and wife team, Christos and Voula Hajipapas. Initially it provided flight services for the local Greek Cypriot community of London but shortly after its formation, Cyplon Holidays, its Tour Operation, had established itself as one of the UK's most reputable holiday operators to the beautiful island of Cyprus.

By the 90's Cyplon Holidays quickly branched out into other destinations, such as Greece, Egypt and Dubai and won a number of prestigious industry awards. Now in its 3rd generation, with grandsons Christos and Costas, Cyplon has built on the success of the past and this year celebrated winning the award for the **TTG's Top Specialist Operator - 2018** and has widened its choice of destinations even further. 2020 sees the launch of a record number of brochures and over 16 destinations on offer across Europe, North Africa and the Middle East.

As was the case since the company's formation in 1972, Cyplon Holidays remains committed to its family values and continues to passionately support the trade, taking great pride in being a Specialist Independent Tour Operator that puts its travel agent partners first, not just with words, but with dedicated actions.

To all our agent partners, both past and present, we would like to say thank you for your support and for being part of the Cyplon Family. Without you, this Cyplon journey would not have been possible.

We wish you a successful year ahead.
