TTG TRAVEL AWARDS 2018

Specialist Operator of the Year

Winner

AWARD WINNING

Cyplon Holidays has received many awards in its history since it was established in 1972. Most recently we were recognised by the UK travel industry at the Travel Trade Gazette (TTG) Trade Awards. We received the great honour of being named as the UK's "Specialist Operator of the Year" for 2018. In 2017, we were rewarded with the title of the UK's "Leading Tour Operator for Family Holidays" at the Travel Bulletin Star Awards. Similarly, we have been winners of the title "Leading Independent Tour Operator to the Mediterranean" in 2015, achieving this consecutively, having won the award in 2012, 2013 and 2014.

WE ARE AITO MEMBERS

Cyplon Holidays is a proud member of the Association of Independent Tour Operators. AITO represents Britain's leading independent tour operators and demands high standards of quality and service. Cyplon Holidays abides by AITO's Code of Conduct and adheres to the AITO Quality Charter.

FLIGHTS FROM REGIONAL AIRPORTS

Whether it is scheduled, no frills or chartered airlines that you wish to travel on, we can meet all of your requirements, as we can offer you all available flights from any Regional UK Airports. Pre-booked upgrade services are also available and we can even arrange an airport lounge-pass for you, if you wish to avoid the commotion and start your relaxation straight away. Speedy/Priority boarding and even in-flight meals (on no frills airlines) can also be arranged with our Reservations Staff.

PRIVATE TRANSFERS

Do not fear- we won't put you on a bus full of 30-40 people! When you arrive in resort, travel in luxury in one of our private transfer cars or for larger groups a private minibus. N.B. Child and Baby Seats For Transfers- if required are at an extra cost and must be booked in advance.

CYPLON REPRESENTATIVES

The Cyplon Family does not just reside in the UK, it extends abroad - Our Cyplon Representatives will always be on hand to meet you & make certain that all is to your satisfaction. Generally we will aim to contact you at the beginning of your stay & if you would like to arrange a further meeting this is also possible. Here, we can provide you with advice & tips on your Resort & its surroundings. You will also be provided with an around-the-clock point of call - in case you need any additional assistance whilst on your vacation.

SENSIBLE PRICE MATCHING POLICY

In the unlikely event that you find a like-for-like holiday package cheaper than what we have quoted, we promise to do our utmost to match the price for you. However, it is within our right to deem a price of our competitor "not sensible", i.e. a price where we feel that our competitor either may have made a mistake in calculating their prices or indeed where we feel the competitor is pricing the holiday at lower than costs.

FLUID PRICING IN THIS BROCHURE

Cyplon Holidays adopts a completely fluid method of pricing for its holidays. In simple terms this means we don't fix the prices of our holidays from the outset and if any of the prices of our holiday elements, such as air fares or hotel rates, are reduced [as they do second by second] then you can expect to see a lower cost for your holiday. This way our prices will always be more accurate and therefore more competitive. Please note that whilst the prices we display in our brochure are prepared with the utmost care and attention, they are to be used for guideline purposes only. To obtain a detailed quotation of your holiday cost, kindly contact your local travel agent or call our Reservations Team on 020 8340 7612, or visit our website www.cyplon.co.uk.

Holidays byDESIGN

As pioneers of “Tailor made” holidays, Cyplon Holidays can claim with some pride to have been tailoring holidays before the term was even coined by the travel industry. Our by**DESIGN** concept aims not only to celebrate the beauty of individuality when selecting a holiday but also to combat the growing trend of mass market holidays.

FINDING THE PERFECT FIT

We strive to match you with the perfect resort. Use our holiday type descriptions to reflect on which holiday concept suits you best. All the hotels in this brochure list the concepts for which they fulfil – making your holiday selection easier and less stressful.

NO RESTRICTIONS

Cyplon Holidays will not restrict you unlike some other big travel operators. byDesign not only allows you a great deal of flexibility when choosing your destination but we allow you to travel on ANY date, ANY day, ANY airline, from ANY airport, for ANY duration. We also allow you to fine-tune smaller details of your travel, such as VIP lounge passes and even in-flight meals etc.

ROMANTIC HOLIDAYS

Looking for spectacular scenery, sumptuous dining and that extra je ne sais quoi? These hotels will help you find that connection with a loved one. If you are looking for privacy then we thoroughly recommend staying in a magnificent holiday villa or self-catering apartment. Take advantage of the local produce and become a master chef abroad!

LOCATION

Cyprus is a large Mediterranean Island that is situated around 60 kilometres from the Turkish coast. It is a cultural, linguistic and physical crossroads, between Europe and Asia, meaning that it is a melting pot of different cultures and amazing sites. It is blessed with exceptional beaches, azure waters, imposing mountains, a host of underwater treasures and vast pine forests that contain a huge variety of flora and fauna. It is easy to reach and has two airports, one in Paphos and one in Larnaca.

WEATHER IN CYPRUS

Thanks to its Mediterranean climate the summers are hot and dry (June to September), the winters mild (November to March), with relatively short Autumn and Spring periods, that are characterised by temperate weather (ranging between 15°C and 23°C). The summers are long and hot with average highs recorded in Nicosia of 37°C and slightly cooler temperatures, which range between 26-30°C in the coastal areas. The higher regions of the Troodos Mountain range have a slightly different climate, with colder winters and summer temperatures of 21°C. Cyprus has the ideal environment for those who want a great summer holiday, with little chance of rain and warm summer temperatures.

“.....
*Cyprus is a wonderful country to visit
and the warm Cypriot hospitality is
something everybody should have the
chance to experience!*.....”

HISTORY & CULTURE

With a rich and varied history, it is renowned since ancient times for its mineral wealth, natural beauty and strategic importance. In the Hellenistic period, it was the birthplace of Aphrodite, goddess of beauty and is the setting for many of the most famous stories involving her, including her first love affair with Adonis. However, Cyprus' strategic importance as a naval base in the Mediterranean also meant that it has had a turbulent history, filled with many conquests. Cyprus was then involved in many of the crucial events of ancient history, including being part of the Persian Empire and being involved in the wars of the successors, where Alexander the Great's generals battled to see who would succeed him. It remained a part of the Eastern Roman Empire for the next 1000 years, until it was taken by Richard the Lionheart during the crusades, eventually falling to the powerful Ottoman Empire as it spread across Turkey. Cyprus remained a part of the Ottoman empire until it was awarded to Britain in 1860, finally gaining its independence in 1960. It is a place of myth and legend, immersed in history, which every visitor is sure to find alluring and fascinating.

CYPRriot CUISINE

Traditional Cypriot cuisine has been greatly influenced by the many cultures and traditions that it has been exposed to. Cypriot cuisine takes inspiration from a host of countries around the Mediterranean Sea resulting in a unique blend of tastes to suit every palate from the biggest meat-eaters to vegetarians. During your stay, we highly recommend taking a trip to one of the local tavernas to try either a meat or fish 'Meze'.

Malta & Gozo Holidays

Malta is a small but infinitely fascinating archipelago located in the southern Mediterranean, within close proximity to Sicily and Tunisia. Given Malta’s geographical location and history dating back thousands of years, Malta’s culture, architecture and cuisine have been influenced and intricately formed over the course of millennia to create a densely packed treasure trove of an island. Despite its size, you are guaranteed to experience diversity throughout.

AT A GLANCE

Average Flight Time:	3 hours
Average Temperature:	21-27°C
Time Zone:	GMT+0
Currency:	Euros
Language:	Maltese
Population:	450,000

LOCATION

A small archipelago, it lies between Sicily and North Africa. It was first populated by Sicilian invaders over 5000 years ago and has since had a succession of different rulers, who valued its strategic importance as a naval base. The capital Valletta was built in 1566 after a massive battle between the Knights of St John and the Ottoman Empire and is one of the finest examples of Baroque architecture in the entire world. Today the island is famous for its vibrant tourist scene, with plenty of destinations that will excite and delight visitors. The island has a population of around 450,000 and its main airport is situated in Valletta.

WEATHER IN MALTA

The gorgeous Mediterranean climate gives it hot dry summers and mild winters. It has a yearly average temperature of 20 degrees, with the lowest temperature of 13 degrees in January and the highest of 27 degrees in July. Malta receives just 600mm of annual rainfall, which almost all falls during the late autumn and winter, meaning that anyone who visits at any other time of year is almost assured a dry holiday. The best time to visit is during the hot summer months of June, July and August, although it is pleasant from April all the way through to October.

HISTORY & CULTURE

The country has a rich and colourful history that begins around 4500 years ago, when it was colonized by people from the nearby island of Sicily. It became a part of the mighty Phoenician empire in around 1200 BC and was established as a crucial trading post and subsequently Cartages empire. This ended when Malta was conquered by the Romans during the second Punic War and the island was dominated by Rome for the next 700 years. St. Paul the Apostle was shipwrecked on the island during this time in the aptly named St Paul’s Bay and legend has it that he was the person to introduce Christianity to the island. The Ottoman Empire was at the zenith of its power at that time, with most of Europe genuinely scared that they would be overrun by Arab invaders. The Ottomans attacked numerous times between 1550 and 1566, culminating in a massive siege, which the Knights repelled, leading to huge celebrations, throughout Christendom. This led to a massive influx of money into the island and the construction of the fortified city of Valletta. After the order declined, Malta was briefly owned by the French, before becoming British after the defeat of Napoleon and gaining independence in 1964.

“.....
*Malta has a great selection of
affordable Luxury Hotels scattered
across Malta & Gozo Island, with perfect
weather all-year-round.*.....”

MALTESE CUISINE

Maltese cuisine is full of rustic character, colours and flavour as you would expect from a central Mediterranean island and given its geographical position, it takes great influence and inspiration from North African, Spanish and Sicilian cuisines whilst there is also a small trace of British influence left by the Knights of St John. The unofficial national dish of Malta is widely considered to be rabbit stew “fenkata”. If you find yourself on Malta’s island of Gozo, be sure to try the local cheese called Ġbejna cooked in a delectable little pastry.

Canary Island Holidays

A holiday to the Canary Islands is like an adventure to the farthest flung corner of the Spanish territories, but just a stone throw's away from North Western Africa's coastline; a real mix of cultures from a cluster of islands offers seclusion, dreamy coastlines and a unique culture making you feel like it's a whole destination of its own. Gran Canaria, Tenerife, Lanzarote, Fuerteventura, La Palma and La Gomera are islands far from the rest of Spain's mainland and Balearics, offering something a little bit different from the norm. For some, it's the paradisiacal beaches and 5 star luxury resorts that really draw them into the Canaries dream; for others, it's the dramatic volcanic landscapes and the promise of endless nature trails across the islands' stunning national parks that really makes it.

AT A GLANCE

Average Flight Time:	3-4 hours

Population:	2,100,000

FUERTEVENTURA

The smallest and most peaceful of the Canary Islands, it is perfect for families and couples who want to enjoy gorgeous, golden beaches that are not quite as busy or wild as some of its neighbours. Like many of the Canaries the coastal areas are well-populated, with places like the capital Puerto Rosario and Corralejo, renowned for the beauty of their beaches. Whereas inland, Fuerteventura becomes more wild and rugged, a volcanic landscape just waiting to be explored. This makes it ideal for people who want a peaceful beach holiday amidst truly sublime natural scenery.

LANZAROTE

A gorgeous UNESCO Biosphere it combines stunning geology with incredible beaches to make an exceptional holiday destination. The coastal parts of the island are fairly built-up, with places such as Puerto del Carmen and the capital Arrecife, offering a magnificent combination of buzzing nightlife and incredible beaches. This contrasts beautifully with the more remote centre of the island, where visitors will be greeted with alien lava fields and multi-coloured volcanoes.

“.....
An all-year-round destination, with each island having it's own unique character and culture, the Canary Islands have something for everyone.
.....”

GRAN CANARIA

A stunning island holiday destination, combining gorgeous golden beaches with foreboding inland mountain passes to create the ideal beach holiday. The scenery is to die for too; boasting the most diverse landscape of the archipelago, you'll find everything from subtropical forests and lush green mountains to golden dunes and white sand coves. The coastal parts of the island are built-up and have excellent tourist facilities, with Las Palmas, Maspalomas and Playa del Ingles, all renowned for their exceptional beaches and lively nightlife. They call Gran Canaria the “Continent in Miniature” because it has a little bit of everything. So if you're looking for the perfect family destination with plenty of variety, Gran Canaria is the ultimate place to be – for shopping, for nature hikes, for top nightlife or just relaxing on a pretty beach.

TENERIFE

Tenerife attracts more than 10 million visitors for a reason, offering a gorgeous yearlong climate, stunningly beautiful beaches and a bubbling nightlife. This is largely situated in the southern part of the island, with resorts like Santa Cruz and Adeje, renowned for offering everything that a visitor could ever want from their beach holiday. Yet it is also a land of contrasts, with the volcanic area that surrounds the now dormant Mt. Teide, a beautiful and isolated area, crammed full of interesting geology and unique wildlife. A great place for family holidays as it is for couples or those on group holidays, you will find everything from beachfront resorts and lavishly appointed hotels to volcano adventures, impressive national parks and lively nightlife. This means that Tenerife offers something for everyone, making it ideal for anyone who loves, sun, sand and spectacular natural scenery.

“.....
The quintas of Madeira are so charming and welcoming, staying in a quinta really gives you a true feeling of the island.
.....”

HISTORY & CULTURE

The discovery of the island of Madeira is captivating and enthralling, as three young sea captains, took a leap into the unknown amidst dark, gloomy clouds on the southern horizon. King John I of Portugal ordered the colonisation of the island, around 1425, with the first families coming from the Algarve region and then from the northern region of the mainland. In order to create the minimum conditions to settle and develop agriculture, a part of the dense laurel forest had to be deforested and a large number of water channels (levadas) were built, as the northern part of the island had excess water while it was scarce in the south. Fish, fruit and vegetables were the main livelihoods of the first inhabitants. Sugar turned Funchal into a mandatory crossing point for European trade routes. Sugarcane became the instigator for the island’s economic growth and its settlers utilised the perfect climate to cultivate the crop before the sugar industry migrated to South America, making wine the main industry of the island.

WEATHER IN MADEIRA

Madeira features a good climate with most days being sunny and little rain dominating the island. Because of its mountainous terrain, it includes various microclimates. The bay of Funchal enjoys the best sunshine with most hotels running along its southern coastline. On the southwest coast, at Ribeira Brava, Ponta do Sol, Madalena do Mar, Calheta, Jardim do Mar and Paul do Mar, backed by the lower hills of Paul da Serra, the sun shines during its summer months and the weather is generally fair throughout the winter. The average temperature in July is 21 degrees and in August around 24 degrees, whilst in the winter it averages to about 18 degrees in December.

Morocco Holidays

Forming the north-west shoulder of the African continent, Morocco is a melting pot of Berber, Arabian and European cultures and influences. This exotic blend gives Morocco a truly unique identity with nowhere in the world quite like it. The diversity found within Morocco is astonishing, with the ever bustling city of Marrakech, beach side towns of Agadir and Essaouira, the expansive Sahara desert and the indomitable and breathtakingly beautiful Atlas Mountains, not to mention other historical and cultural highlights including Fez, Casablanca and Rabat.

AT A GLANCE

Average Flight Time:	3 hours, 30 Minutes
Average Temperature:	20-24°C
Time Zone:	GMT+0
Currency:	Moroccan Dirhams
Language:	Arabic, Berber, French
Population:	33,000,000

LOCATION

A North African country, it is located directly opposite Europe, with the Atlantic Ocean on one side and the Mediterranean on the other. It has always been a cultural melting pot, with its traditional Berber culture having been influenced by both European and Arabian culture. Its most famous cities are Marrakesh, which sits at the foot of the Atlas Mountains; its capital of culture Fez; its largest and richest city Casablanca and its capital Rabat. Morocco is a medium-sized country with a population of just under 34 million.

HISTORY & CULTURE

Having been inhabited since pre-historic times, its first recorded people were nomads who interacted with Phoenician traders. They described these Nomads as Barbarians, which is where the derivation 'Berber' originates from. It was conquered by the Romans, who built the large city of Volubilis, although the locals always detested the Romans and were a constant thorn in their side. The local population converted to Islam during the middle of the 7th century, although it tended to be less traditional and strict than the Eastern Arab's variation. Morocco was then dominated by dynasties for the next 1000 years, with the Idrissid state founded in 829, giving way to the Almoravids in the 11th and 12th centuries. The Almohads were prominent in the 12th and 13th, who were followed by the Merenids in the 13th, 14th and 15th, with the Saadians and Alawites dominating up until this day. It became a French protectorate in 1912, which lasted until it was given independence in 1956. Each of the countries and empires from Morocco's interwoven history exert palpable influence on Moroccan music, cuisine and culture. For example, French has remained Morocco's unofficial third language following its period as a French protectorate in the early 20th century.

“.....
*A place of mystical magic, Morocco
has that special something which just
cannot be described by words - you
have to experience it!*
.....”

MOROCCAN CUISINE

The country is blessed with one of the richest culinary traditions in the world, with its traditional Berber cuisine having been influenced by Spanish, Mediterranean and Arabic foods. It is probably most famous for Tagines, a traditional clay cooking pot which is used to make bubbling stews, flavoured rice and much more. Couscous is also an incredibly famous Moroccan export, a rice dish traditionally flavoured with onions and garlic. In terms of street food, visitors can enjoy things like kebabs and grilled sardines, alongside the local staple, Makouda, a spicy broth that is ubiquitous across the country. In terms of drinks Moroccans tend to forgo alcohol, but they are prolific tea drinkers. Be sure to try pastille, a delicious and elaborate meat pie that piquantly combines sweet and salty flavours in crepe-like dough. While exploring the medina, you will want to stop for a refreshing, sweet glass of mint tea. Be sure to pour the teapot as high as you dare for the ultimate bubbly brew.

WEATHER IN MOROCCO

Morocco has a diverse climate that reaches highs of 35 degrees and lows of 5 degrees (in the Sahara). Places like Agadir on the coast tend to have a more Mediterranean feel with hot summers and mild wet winters. Inland the weather tends to be hotter with less wind, meaning that Marrakesh is delightful in the Spring and Autumn and red hot during July and August. The peaks of the Atlas Mountains tend to be snow-capped throughout the year, although the slopes can be hot in the summer months.

Try soaking up the Eastern atmosphere in the souks or experiencing ancient history up close and personal, examining gigantic hieroglyphs for yourself. If you'd rather indulge in a little pampering, relax in tranquillity by the azure sea before enjoying an aromatic massage in one of their world-class spas, on your spa holiday. Its main cities are dotted along the banks of the magnificent River Nile and feature a vast array of majestic monuments, including the Great Pyramid of Giza, the only remaining ancient wonder of the world; The Great Sphinx, a massive half-lion, half-man sculpture and the Temple of Karnak, one of the largest and best-preserved temple complexes in the world.

LOCATION

Egypt is situated in the northeast of Africa, linking the continent with the Middle East. It is bisected by the famous River Nile that runs the length of the country. It also offers access to the beautiful waters of the Red Sea, famed for the incredible variety of marine life that lives there. Its most famous historical monuments are located on the banks of the River Nile, including the famous pyramids, the Great Sphinx and the temple of Karnak. Its capital is Cairo, which is situated on the Nile and lies just a few kilometres from the aforementioned pyramids.

HISTORY

The country's history is long and rich dating back further than the vast majority of countries. It is intrinsically linked to the fertile land around the River Nile, with the Ancient Egyptians realising that if they planted their crops close to it, then they would grow thanks to its regular floods. Egyptians created language in the form of hieroglyphics and built incredible monuments to their pharaohs, including the Great Pyramid of Giza, which is the only remaining ancient wonder of the world. Egypt was conquered in 330 BC by Alexander the Great and came under the influence of his Ptolemy following the wars of the successors. They ruled for the next 300 years, with the last and most famous in the dynasty, being Cleopatra. It then passed to the Ottomans, before, becoming a part of the British Empire, until it received its independence.

“.....
*Egypt is a country with everything -
from the history of the ancient sites
to the wonder of the luxury hotels and
beaches.*.....”

WEATHER IN EGYPT

The weather in Egypt varies from surprisingly cold to very hot. This desert like weather, means that there is little rain and visitors need to be more worried about the heat of the sun. Inland places like Cairo and Luxor can get very hot during the summer months, with temperatures that regularly exceed 30 degrees. The same is true of the coast, although there, visitors can cool themselves off in the azure waters of the Red Sea. The best time to visit is between April-May and September-November, when it is hot without being extremely hot.

EGYPTIAN CUISINE

It has been famed since ancient times for its ability to produce cereals, with bread and rice crucial to the Egyptian diet up until this day. The most popular dish is Koshary, which is made out of rice, macaroni and lentils and is coated in a special tomato sauce. Fiteer is Egypt's version of pizza, where they layer filo pastry on top of each other and can be ordered either sweet or savoury depending on your preference; Ful wa Ta'meya (Fava Beans and Falafel), the Egyptian version of fast food; Kabab wa kofta (Grilled meats), served with Mediterranean garnishes and a whole host of other delicious dishes.

LOCATION

Israel is a Middle Eastern country situated on the Mediterranean Sea. It borders Palestine, Lebanon, Syria, Egypt and Jordan and is the only Jewish state in the world. It is most famous for its importance to three of the world's major religions, with Christians, Muslims and Jews all regarding it as 'the Holy Land'. Its capital Jerusalem holds places of religious significance, including the place where Christ was martyred, the place where Muhammed was borne to heaven and the most holy sight in Judaism. Its financial centre Tel Aviv is a bustling and modern city, packed with exciting nightlife, while it also plays host to Tiberias on the Sea of Galilee and the Dead Sea, renowned for the healing properties of its water.

WEATHER IN ISRAEL

The amazing city of Israel is blessed with a warm Mediterranean Climate that gives it hot summers and mild winters. The majority of the tourist destinations like Jerusalem and Tel Aviv average around 25 degrees in August and never get colder than 14 degrees in January. This is different in desert areas, such as the Dead Sea, where temperatures average above 20 degrees all-year-around and August can reach a baking 39 degrees. Visitors should also be aware that the more elevated regions can also have a varying climate, but in general it is as hot as somewhere like Italy in summer.

“.....
Israel is truly an amazing place to visit. Home to many world renowned historical and religiously important sites, there is so much to see and do.
.....”

HISTORY & CULTURE

The earliest evidence of actual Jewish occupation of Israel, followed the Jewish exodus from Egypt, when a figure known as Moses, supposedly led his people out of slavery and back to the promised land. Israel was then ruled by a succession of Jewish kings, with the most notable being King David and King Solomon, who ruled the country in the 10th and 11th century BC. They are credited with the founding of the capital Jerusalem and built several important shrines that still stand to this day. The persecution of the Jewish people in the 20th century, caused the Zionist movement to be formed, which believed that Jews would only ever be safe in their own nation, eventually leading to the formation of Israel in 1948.

ISRAELI CUISINE

Israeli cuisine consists of some of the most varied and delicious recipes in the world, thanks to the incredible range of culinary traditions that it encompasses. It is greatly influenced by the many empires that held hegemony over the region, including Mediterranean & Arab influences.

Jordan Holidays

Home to one of the New Seven Wonders of the World, Jordan is a timeless destination that has been attracting visitors from all over the world for centuries. From the magic of its desert landscapes to majestic Roman remains, from cosmopolitan Amman to mystical Petra, Jordan offers a unique cultural experience that is simply not to be missed. It's also attractive to the more laid-back traveller; Aqaba is an unspoilt yet thriving Red Sea resort, while the Dead Sea offers the ultimate pampering holiday as well as historical interest.

AT A GLANCE

Average Flight Time: 5 hours
Average Temperature: 24-32°C
Time Zone: GMT+2
Currency: Jordanian Dinar
Language: Arabic
Population: 6,500,000

LOCATION

Situated in the heart of the Middle East, it is bordered by Israel, Syria, Egypt and Saudi Arabia. Its official language is Arabic, and it lies on the east bank of the famous River Jordan. It played a crucial role in many Biblical stories due to its proximity to Israel and is most famous for the city of Petra: the lost Nabatean capital that has since been rated as one of the seven wonders of the world. Its capital Amman is located in the centre of the country being a crucial landmark on the journey between Israel and Saudi Arabia. Jordan is medium-sized with a population of around 10 million.

WEATHER IN JORDAN

Being in the heart of the Middle East and with 90% of the country covered by desert, the weather in Jordan can hit high and low extremities. During the summer months of June, July and August - in desert areas specifically - temperatures can soar as high as 40 degrees during the day, and fall as low as 4 degrees when the sun sets. Many people tend to prefer travelling during spring and autumn months when temperatures are a little less intense, and it is therefore advised to plan your trip accordingly.

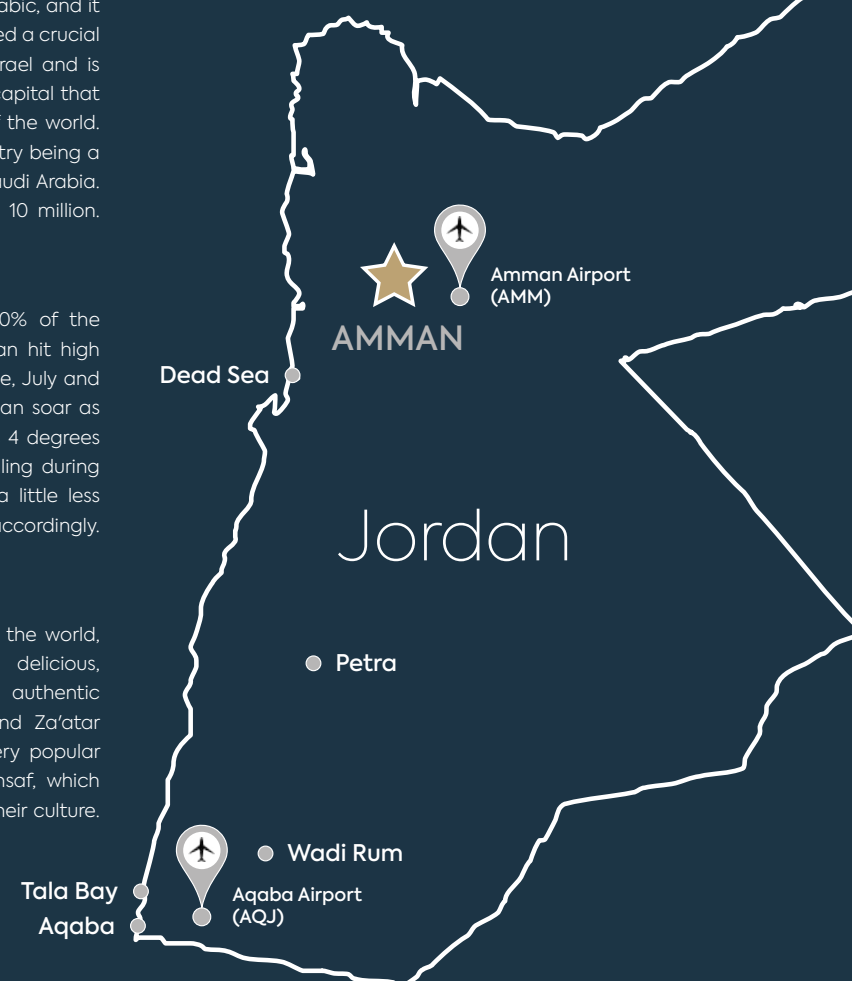

JORDANIAN CUISINE

As Jordan is one of the largest producers of olives in the world, Jordanians always find a way to integrate this delicious, and some believe medicinal ingredient, into their authentic cooking. Along with the two main herbs Sumac and Za'atar which are grown wild in Jordan, yoghurt is also a very popular ingredient and is included in their national dish Mansaf, which Jordanians believe is a dish symbolising generosity in their culture.

.....
Holidays to Jordan guarantee a unique and memorable experience. Filled with ancient sites and culture, it's a fascinating country to discover.
.....

HISTORY IN JORDAN

The modern state of Jordan is relatively young, with it officially being recognized as the "Hashemite Kingdom of the Jordan" in 1946. It was occupied by the Canaanites for much of the Bronze age, whose desert knowledge and ability to smelt copper made them a rich civilization. This was enhanced by the location of Amman the capital, which was placed along a vital trading route between the sea and the rest of the Middle East. It was conquered by the Arabs during the 8th century and was then the scene of many crusader battles, before becoming a part of the Ottoman empire for the majority of the next 500 years. This changed when Lawrence of Arabia visited the area and launched his famous ride across the desert, with the state of Trans-Jordan and then Jordan formed following the First World War Settlement.

7 days or less	100% of holiday cost

The above charges may differ for group bookings as well as special promotional offers & you will be advised at time of booking. Note: If the reason for your cancellation is covered under the terms of your insurance policy, you may be able to reclaim these charges via your travel insurance company. You can cancel your booking without paying cancellation charges if the performance of your package, or the carriage of passengers to your destination, is significantly affected by unavoidable & extraordinary circumstances. In such circumstances, we will arrange for your booking to be terminated & for you to receive a full refund. We will observe advice provided by the UK Foreign & Commonwealth Office.

5. IF YOU CHANGE YOUR BOOKING

If, after our confirmation invoice has been issued, you wish to change your travel arrangements in any way, for example your chosen departure date or accommodation, we will do our utmost to make these changes but it may not always be possible. Any request for changes to be made must be in writing from the person who made the booking or your travel agent. You will be asked to pay an administration charge of £25 per person, & any further cost we incur in making this alteration. You should be aware that these costs could increase the closer to the departure date that changes are made & you should contact us as soon as possible. Note: Certain travel arrangements may not be changeable after a reservation has been made & any alteration request could incur a cancellation charge of up to 100% of that part of the arrangements. Furthermore if your booking changes because someone in your party cancels, this may increase the overall cost of the holiday as it may be necessary to levy under- occupancy or single room supplements. You can transfer your booking to another person, who satisfies all the conditions that apply to this booking, by giving us notice in writing as soon as possible & no later than 7 days before departure. Both you & the new traveller are responsible for paying all costs we incur in making the transfer.

6. IF WE CANCEL OR CHANGE YOUR BOOKING

(a) Cancellation: We reserve the right to cancel your booking. We will not cancel less than 10 weeks before your departure date, except for unavoidable & extraordinary circumstances, or failure by you to pay the final balance. Unavoidable & extraordinary circumstances means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken. If your holiday is cancelled you can either have a refund of all monies paid or accept an alternative holiday of comparable standard from us if we offer one (we will refund any price difference if the alternative is of a lower value).

In the event a refund is paid to you, we will:

- Provide a full refund of your travel insurance premiums if you paid them to us & can show that you are unable to transfer or reuse your policy.
- Pay compensation as detailed below except where the cancellation is due to unavoidable & extraordinary circumstances (see definition above).

(b) Changes: (1) – Changes to the price

We can change your holiday price after you've booked, only in certain circumstances: Changes in transportation costs including the cost of fuel or other power sources, the level of taxes or fees imposed by third parties including tourist taxes, landing taxes or embarkation or disembarkation fees at ports & airports or exchange rates mean that the price of your travel arrangements may change after you have booked. However, there will be no change within 20 days of your departure. We will absorb, & you will not be charged for, any increase equivalent to 2% of the price of your travel arrangements, which excludes insurance premiums & any amendment charges. You will be charged for the amount over & above that plus an administration charge of £100 per person together with an amount to cover agent's commission. If this results in an increase equivalent to more than 10% of the price of your travel arrangements, you will have the option of accepting a change to another holiday if we are able to offer one (we will refund any price difference if the alternative is of a lower value), or cancelling & receiving a full refund of all monies paid, except for any amendment charges. Should you decide to cancel: 1) you must do so within 14 days from the invoice 2) We will provide a refund of insurance premiums paid to us if you can show that you are unable to transfer or reuse your policy. Should the price of your holiday

go down due to the cost changes mentioned above, then any refund due will be paid to you. We will deduct from this refund our administrative expenses incurred. Please note that travel arrangements are not always purchased in local currency & some apparent changes have no impact on the price of your travel due to contractual & other protection in place.

In the unlikely event of a genuine costing error caused by either our reservations team or in house booking system, or appearing on your confirmation invoice, we reserve the right to amend accordingly. Similarly, we undertake to refund any overcharge caused by such an error.

(2) – Changes other than the price

It is a term of your booking that we are able to make changes to any aspect of your booking. If the change is insignificant, we will ensure that you are notified about it. Examples of insignificant changes include alteration of your outward/return flights by less than 12 hours, changes to aircraft type, change of accommodation to another of the same or higher standard, changes of carriers.

If we are constrained by circumstances beyond our control to alter significantly any of the main characteristics of the travel services that make up your package you will have the rights set out below.

• We will contact you or your travel agent & you will have the choice of accepting the change or having a refund of all monies paid. You can also accept an alternative holiday, where we offer one (we will refund any price difference if the alternative is of a lower value). We will tell you the procedure for making your choice. Please read any notification of changes carefully & respond promptly as if you do not respond to us within the timescale given your booking may be cancelled.

• If you choose to accept a refund:

- We will provide a full refund of your travel insurance premiums if you paid them to us & can show that you are unable to transfer or reuse your policy.
- We will pay compensation as detailed below except where the significant change is due to unavoidable & extraordinary circumstances, which means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken.

(c) Compensation if we cancel or make a major change to your booking
The compensation that we offer does not exclude you from claiming more if you are entitled to do so.

Period before departure in which we notify you:	Compensation From Us:
More than 70 days	NIL
70-57 days	£5
56-29 days	£10
28-15 days	£15
14-8 days	£20
7 days or less	£25

8. OUR LIABILITY TO YOU

You must inform us without undue delay of any failure to perform or improper performance of the travel services included in this package. If any of the travel services included in your package are not performed in accordance with the contract, or are improperly performed, by us or the travel service suppliers, & this has affected the enjoyment of your travel arrangements, you may be entitled to an appropriate price reduction or compensation or both. We will not be liable where any failure to perform or improper performance of the travel services is due to: you or another member of your party; or a third party unconnected with the provision of the travel services in the package & is unforeseeable or unavoidable; or unavoidable & extraordinary circumstances, which means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken. Our liability, except in cases involving death, injury or illness, shall be limited to a maximum of two times the cost of your travel arrangements. Our liability will also be limited in accordance with and/or in an identical manner to

a) The contractual terms of the companies that provide the travel services that make up your package. These terms are incorporated into this booking; & b) Any relevant international convention, for example the Montreal Convention in respect of travel by air, the Athens Convention in respect of travel by sea, the Berne Convention in respect of travel by rail & the Paris Convention in respect of the provision of accommodation, which limit the amount of & conditions under which compensation can be claimed for death, injury, delay to passengers & loss, damage & delay to luggage. We are to be regarded as having all benefit of any limitation of the extent of or the conditions under which compensation is to be paid under these or any conventions. You can ask for copies of the travel service contractual terms, or the international conventions, from our offices at: Cyplon Holidays, 246 Green Lanes, London N13 5XT or sales@cyplon.co.uk. Under EU law (Regulation 261/2004) you have rights in some circumstances to refunds and/or compensation from your airline in cases of denied boarding, cancellation or delay to flights. Full details will be publicised at EU airports & available from airlines. However reimbursement in such cases will not automatically entitle you to a refund of your holiday cost from us. Your right to a refund and/or compensation from us is set out in these booking conditions. If any payments to you are due from us, any payment made to you by the airline or any other service provider will be deducted. NB this entire clause does not apply to any separate contracts that you may enter into for excursions or activities whilst on holiday.

9. PROTECTING YOUR MONEY

We provide full financial protection for our package holidays.

1. For flight-based holidays this is through our Air Travel Organiser's Licence number 0891 issued by the Civil Aviation Authority, Gatwick Airport, South, West Sussex, RH6 0YR, UK, telephone 0333 103 6350, email claims@caa.co.uk. When you buy an ATOL protected flight or flight inclusive holiday from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you & who to contact if things go wrong. We will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where we aren't able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations & you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable).

If we are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

2. When you buy a package holiday that doesn't include a flight, protection is provided by way of a bond held by ABTA.

14. EXCURSIONS

Excursions or other tours that you may choose to book or pay for whilst you are on holiday are not part of your package holiday provided by us. For any excursion or other tour that you book, your contract will be with the operator of the excursion or tour & not with us. We are not responsible for the provision of the excursion or tour or for anything that happens during the course of its provision by the operator.

15. TRAVEL AGENTS

All monies you pay to the travel agent are held by him on behalf & for the benefit of the Trustees of the Air Travel Trust at all times. This is subject to the agent's obligation to pay it to us for so long as we do not fail. If we fail, any money held at that time by the agent, or subsequently accepted from you by him, is & continues to be held on behalf of & for the benefit of the Trustees of the Air Travel Trust without any obligation to pay that money to us.
